1. E-mail from Registration Desk

You will receive an email from the registration desk **on October 2nd in the morning (JST)** with the information of URL, ID and PIN to login to the online portal.

Login to the website

Please enter your ID and PW which was sent to you via e-mail.

- ① Please click "INFO" button on the top right hand corner of the page for a detailed instruction, including trouble shooting.
- ② Please click "Join" button when the session starts. (Simultaneous interpretation function available)
- ③ You can check the session information by clicking "Session" button.
- ④ Please contact "Help Desk" button on the top right for any troubles during the session.

The screenshot displays the GGX x TCFD Summit viewing site. The top navigation bar includes the GGX and TCFD SUMMIT logos, a "WELCOME TO GGX x TCFD SUMMIT" message, and a series of utility buttons: "HELP DESK (CHAT ONLY)" (annotated with ④), "DND", "EXPORT / エクスポート", "INFO" (annotated with ①), and "AF". A central banner indicates the next activity starts in 34 minutes. Below this, a timeline for "OCT 2" shows sessions starting at 10:00 AM. The first session, "Opening Remarks / Session 1" (10:00am - 11:35pm), is highlighted with a red dashed box and a "Join/ 参加" button (annotated with ②). Subsequent sessions include "Break 1" (11:15am - 11:25am) and "Session 2" (11:30am - 12:25pm). A right-hand sidebar, titled "Language & Info / 同時通訳 & 概要", is also highlighted with a red dashed box and contains a "Session" button (annotated with ③). This sidebar lists the program (Opening Remarks, Keynote Speech 1, Panel Discussion 1) and interpretation details, including a link for "Simultaneous Interpretation / 同時通訳システム" (annotated with ③). A note at the bottom of the sidebar states that the simultaneous interpretation system will open in a new tab. The "O/AIR" logo is visible in the bottom right corner.

- ① You can check the session information which you have viewed on the timeline even after attending the session.
- ② You can take notes in the "Notes" field. You can also download the Notes from "Export".
- ③ You can download the speaker's information and the presentation materials from "Presentation Materials".
- ④ Please click "Back to Timeline" when the session ends and go to the next session.

The screenshot shows the GGX TCFD Summit viewing site interface. The main content area displays "Live Streaming" for "Opening Remarks / Session 1 (RH)" from 10:00am to 1:00pm, with a "LIVE NOW" indicator. The right sidebar contains several sections: a countdown timer showing "This session ends in 2h 3m", a "No further events today" message, "Language & Info / 同時通訳 & 概要", "My Session Notes / メモ", and "Handouts / 配布資料". The "Handouts" section lists two items: "Speaker's Profile / 登壇者プロフィール" (1.1 MB) and "Presentation Materials / 発表資料" (547 KB and 554.6 KB). Annotations with red arrows point to specific features: "④Back to Timeline" points to the "< BACK TO TIMELINE/ タイムラインに戻る" button; "②Export" points to the "EXPORT / エクスポート" button; "①Session Information" points to the "Language & Info / 同時通訳 & 概要" section; "②Notes" points to the "My Session Notes / メモ" section; and "③Presentation Materials" points to the "Handouts / 配布資料" section.

Each session will be streamed live with original audio. Please follow the steps below to use English / Japanese Simultaneous interpretation function.

- ① Mute the original audio of the live streaming video.
 - ② Open the panel "Language&Info/同時通訳&概要". Simultaneous interpretation function will be displayed.
 - ③ Click the "Simultaneous Interpretation System" button. Simultaneous interpretation system will open in a new tab.
- ⇒Continue to the next page

The screenshot shows the TCFD Summit live streaming interface. The main video player displays "Live Streaming" and "Original Audio Video". The right sidebar contains session information and a "Language & Info / 同時通訳 & 概要" panel. The bottom right of the video player has a mute icon.

Annotations:

- ① Mute the original audio for using simultaneous interpretation function.** (Points to the mute icon at the bottom right of the video player.)
- ② click "v" to Open "Language&Info/同時通訳&概要" Panel.** (Points to the "v" icon in the top right corner of the sidebar.)
- ③ Click the "Simultaneous Interpretation System" button. Simultaneous interpretation system will open in a new tab.** (Points to the "Simultaneous Interpretation" button in the "Language & Info / 同時通訳 & 概要" panel.)

Interface Elements:

- Top navigation: < BACK TO TIMELINE/ タイムラインに戻る, GGX, TCFD SUMMIT, HELP DESK (CHAT ONLY), DND, EXPORT / エクスポート, INFO, AF.
- Session Title: Opening Remarks / Session 1 (RH) ☆
- Time: 10:00am - 1:00pm
- Live Status: LIVE NOW
- Session Ends In: 1h 57m
- Language & Info / 同時通訳 & 概要 panel: Opening Remarks / Session 1 (RH), Today/ 本日 10:00am - 1:00pm, Program / プログラム (Opening Remarks, Keynote Speech 1, Panel Discussion 1), Interpretation / 同時通訳 (Simultaneous Interpretation / 同時通訳システム).
- Video Player: Live Streaming, Original Audio Video, Vimeo logo.
- Bottom Right: OnAIR, EventsAIR.

Viewing Site ③ Simultaneous Interpretation Function 2/2

- ④ If you Click the "Simultaneous Interpretation", the simultaneous interpretation system will open in a new tab.
- ⑤ Select interpretation language.
- ⑥ Click the "Start" button and the simultaneous interpretation audio will be played.
- ⑦ Volume can be adjusted using the volume control bar.
- ⑧ Switch tab and move to the streaming video page.

⑧ Switch tab to watch the streaming video.

The screenshot shows a web browser with two tabs. The first tab, titled 'Welcome to GGX x TCFD Summit', is highlighted with a red dashed box and an arrow pointing to it from the annotation '⑧ Switch tab to watch the streaming video.'. The second tab, titled 'RSI X', is also highlighted with a red dashed box and an arrow pointing to it from the annotation '④ Simultaneous interpretation system will open in a new tab'. The browser address bar shows the URL 'https://rsistatic-uy7atznra-oa.a.run.app/viewer/?uuid_=04777963'. The main content area of the browser displays the RSI X interface. It features a large 'RSI X' logo with a microphone icon. Below the logo is a dark purple bar containing a 'Mute' button (with a speaker icon), a 'Start' button (highlighted with a red dashed box and an arrow from the annotation '⑥ Play'), a volume control slider (highlighted with a red dashed box and an arrow from the annotation '⑦ Volume'), and a language selection button labeled 'ENG' (highlighted with a red dashed box and an arrow from the annotation '⑤ Language'). In the top right corner of the interface is a 'HIDE GUI' button. On the left side of the interface is a QR code and the text 'GGX x TCFD Summit Powered by RSI Exchange'.
